MICHIGAN ONLINE EDUCATOR CERTIFICATION SYSTEM

MOECS SCR

The Michigan Online Educator Certification system (MOECS) is a secure web-based system that allows educators to register and create private accounts and have access to all of their certification data, apply for certificates and endorsements, and renew their certificates. MOECS accepts only credit cards as payment for application services; Visa and Master cards are accepted.

MOECS can be accessed on any computer with internet access and an internet browser.

MOECS users include:

- Individuals who hold a valid or expired Michigan educator certificate.
- Individuals who wish to apply for or update a Michigan educator certificate.
- Michigan local and intermediate school districts/regional education service agencies, charter schools, and nonpublic schools.
- Michigan colleges and universities that have approved educator preparation programs.

To receive authorization to access MOECS:

- Click on the link to create a new login name and password.
- After creating your login name and password, click on the link to return to MOECS.
- Log into MOECS using the login name and password that you created.

PLEASE NOTE: If you already have a Michigan Education Information Systems (MEIS) account, you do not need to create a new login name and password. You can log into MOECS using the login name and password associated with your MEIS account.

Things to remember –

- Documents attached must be in .PDF format (Adobe)
- More required fields on application form online
- Sponsor Notes now labeled "Attendance Method / Internal Notes"
- You must choose a "Professional Learning Type". This field was added for use so the system may be used for DPPD programs in the future. At this time, only select "SCECH" for all new programs.

The system has been set up to work and look as before. All rules and procedures remain the same at this time.
